---

## Work Experience

FreeLance 2006 - Present

In March 2006 I decided to become a freelancer because I believed in my creative skills and I wanted to bring into play all my resources.

In the last 4 years I have developed more than 50 websites thanks to the experience acquired over the years.

77Agency ([www.77agency.com](http://www.77agency.com)), 2005 – 2006

Full time Web Developer.
